

Speed Queen

MULTI-HOUSING
ENERGY STAR® Qualified Coin-Operated WASHER

SWTW20

Speed Queen®

OUR STRENGTH COMES FROM WITHIN

SPECIFICATIONS

COMMERCIAL QUALITY

Built tough to stay that way. The Number one supplier of commercial coin-operated laundry equipment, Speed Queen continues to lead in customer satisfaction. Speed Queen homestyle washers and dryers feature many of the same rugged, reliable parts found in the coin-operated machines, so they're built to last.

ENERGY STAR® Qualified

The SWTW20 meets ENERGY STAR minimum qualification requirements for Modified Energy Factor (MEF).

“Water Saver” Feature

The SWTW20 topload washer model is factory-equipped with a “water saver” cycle setting that is ultra efficient. Total water consumption is only 23.7 gallons, and reduces hot water consumption, saving energy.

Features:

- ~ Extended cycle time 27.5 min. plus fill
- ~ Waterfall fill for enhanced wash/rinse
- ~ 2-speed agitation and spin
- ~ “True” delicate cycle
- ~ Cold water rinses on factory setting

Superior Wash/Rinse Action

Curved four vane polypropylene agitator with 210° wash stroke, longest in the industry, produces superb washing results.

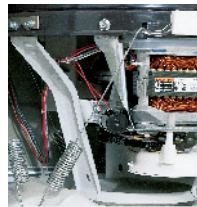

High Speed Spin-Extract

With a higher spin speed of 710 rpm clothes come out drier. In fact, the higher spin speed of these new models will lower moisture retention by 3.4% over previous models. This means faster drying, increased cycle turns, and satisfied users.

Automatic Balance System

Residents will appreciate the **Automatic Balance System** for smooth and quiet operation, even on wood floors. The ABS provides the industry's best out-of-balance handling, completing wash cycles without interruption.

Quality Washer Components

- Durable porcelain enamel washtub.
- Scratch-resistant hard-baked porcelain enamel tops and lids.
- Long-lasting galvanized steel cabinet.
- StrongBox Security™ on meter case.
- Dependable, Eversmooth transmission.
- Heavy-duty, 1/2 HP, 2-speed motor.
- Start capacitor lowers amperage draw.
- Corrosion-resistant polypropylene pump.
- Pump clips for service convenience.
- Rear self-leveling legs.
- Unit is 100% front serviceable.

WASHER

2-Speed	SWTW20
